AKIAKANE profile

AKIAKANE / illustrator

Her vivid colours, bewitching motifs and calculated compositions grab the viewer. She creates splendid worldviews interspersed with Japanese 'wa' and mythology. She works in various fields, such as artwork for music, music videos and games.

NEW FACTORY TOKYO

With a desire to "make NFT art more widespread in our lifestyles," we will release high-quality NFT works in collaboration with various artists who support NEW FACTORY TOKYO, as an NFT production company from Japan. In addition, we will also hold artist discovery projects and highly entertaining events, both online and offline, in collaboration with various companies, brands, and artists, with the aim of further raising awareness of NFT in Japan and providing correct NFT knowledge, and will continue to develop and expand the NFT market.
